WORLD  
OVARIAN  
CANCER  
DAY

World Ovarian Cancer Day is May 8. Your voice has power. Let's demand more be done about ovarian cancer in Canada.

**Goal: \$10-million government investment in ovarian cancer research**

Show your support and participate by taking these steps:

## 1) DEMAND BETTER

Write a letter to your elected reps urging them to support more research funding and improved access to treatment. Visit [ovariancanada.org/advocate](http://ovariancanada.org/advocate) and send a powerful message in minutes.

## 2) MAKE A STATEMENT

Create a sign expressing your concern and post a photo on social media, using **#ladyballs** and **#abouttime**. Extra credit: Look up your Member of Parliament and tag their name in your social media post.

## 3) CHALLENGE OTHERS

Share what you've done on social media and invite friends and family to follow your lead. Every voice matters. How many people can you inspire to action?

## 4) BAND TOGETHER

Be one of the first to sign up for the Ovarian Cancer Canada Walk of Hope in September. Registration opens World Ovarian Cancer Day, May 8. Sign up at [ovariancancerwalkofhope.ca](http://ovariancancerwalkofhope.ca)

## 5) STAY TUNED

This is just the beginning of a journey to ensure that women with ovarian cancer have more time. Sign up for updates at [ovariancanada.org/subscribe](http://ovariancanada.org/subscribe)

## FACTS
